

San Angelo Soccer Association Competitive Guidelines

- 1. A fee of \$250.00, per season, will be paid, by each competitive team, for use of the La Liga fields.**
- 2. Any team wishing to use or practice, on SASA property, must have an approved Competitive/Select Team Contract. Teams with approved contracts may only practice or use the La Liga field area, unless otherwise determined by the Executive Board of Directors. If other determination is made, a signed letter or additional contract (such as a lighting contract) must be kept, with the Competitive/Select Team Contract. Any contracts or letters, for field usage, must be available, for inspection, every time any member of the team or coach is on the SASA property (with the exception of games or sanctioned activities).**
- 3. Each coach/manager will be responsible for the cleaning of their practice area, after every practice.**
- 4. If you are the last team scheduled, for the day, you will be responsible for making sure all gates are closed and properly locked.**
- 5. SASA will work with each competitive team's schedule on a first come first served basis. SASA has established a number of areas, on the La Liga fields, for teams to practice. We ask that each team be considerate of other teams and only use the space your team needs, while allowing enough room for the other teams to do the same.**
- 6. We require each team to provide their own goal, to prevent wear on the permanent goal box areas.**
- 7. Keys will be assigned, one for each team, and must be returned at the conclusion of each season. If a key is not returned, a fee of \$50.00 will be assessed, to the team.**
- 8. All San Angelo Soccer Association and North Texas Competitive Rules and Regulations must be followed, at all times.**
- 9. Violation of any of these guidelines, or any rule will result in the immediate termination of practice field usage, with no refund of fees paid.**
