How to Use This Chart:

- 1) Locate the Month of your child's birth
- 2) Follow the month down to the year of your child's birth
- 3) Follow the year to the left, to determine the Age Group your child will play in

*Toddler Soccer is brand-new this season

If your child's birth date is not listed on this chart, your child is either too old or too young to play Recreational Soccer, in this league.
