Toddler Soccer Parents:

Welcome to the San Angelo Soccer Association 2011 Fall Season. In this packet, you will find valuable information to get your Fall Season off to a great start. Included in this packet, is a list of the current 2011 Board Members, a schedule of important dates to remember through the season, and instructions on applying for Financial Aid. We try our best to make soccer a fun and rewarding experience for your child, and to make this happen, there are a lot of new things going on, from Toddler Soccer, to Superior Soccer Skillz, to the BIG Soccer Ball, to new signs, and new faces on the board. Please review all of the information in this handout, and feel free to contact us with any questions you may have. We hope you, and your children, have a fun and exciting 2011 Fall Season.

Thank You for Joining Us,
The San Angelo Soccer Association Board of Directors

Some additional Information for Toddler Soccer Parents:

- **During the season, we periodically send important information and reminders out, through email. Please be sure we have an accurate email address so your child does not miss out on anything.**
- **Toddler Soccer Registration Fees: \$40.00 (Includes a T-Shirt)**
- The Format for Toddler Soccer games is: 3 vs 3, with 5 to 6 kids per team, and the games will be 30 minutes long, divided into four 6 minute quarters with a 6 minute half-time. Coaches will ref their own games, so game day will be determined by a vote from the Toddler Soccer Coaches. Standard U5/U6 rules apply. We do not guarantee a certain number of games, but we try to make sure each team plays at least six games or more.
- If you have ANY soccer questions, feel free to email the office anytime, we will be happy to answer your questions. Because Toddler Soccer is new, we do not currently have a specific Commissioner for this age group, however all of the Commissioners are working together to help out.
- If you have any issues or complaints, regarding a soccer matter, please put it in writing (paper or email), addressed to the board, and turn it into the office. The office manager will see that your letter is sent to the board. Nothing can be resolved without the issue/complaint being in writing.

Coaches may accept a check from parents, but the coach will assume all liabilities for insufficient fund situations. Accepting a check is at the coach's discretion. **No personal check payments will be accepted by the San Angelo Soccer Association. Payment may be made with a Money Order, Cashier's Check, Business Check, or CASH.**

Filing For Financial Aid:

A Toddler Soccer Financial Aid Application must be filled out, in the San Angelo Soccer Association Office, at 1501 Glenna Dr. **A copy of your most recent tax return is required** to file for financial aid. Any forms submitted last season were destroyed, so another copy will be required, even if you filed for assistance last season. To file for Financial Aid, **FOR A TODDLER SOCCER PLAYER, \$20.00 (per child)** must be paid toward your child's registration. The **deadline to file is July 22, 2011**. In August, the Financial Aid committee will review your application, and you will receive a letter, in the end of August, with approval or denial information. **If any remaining balance is due, after financial aid, payment must be received prior to 5pm, on August 26, 2011, or your child will be dropped from their roster.**

(For a U5+ player, a regular Financial Aid form must be filled out, and \$35.00 must be paid toward the child's registration)

SUPERIOR SOCCER SKILLZ

We currently do not offer Superior Soccer Skillz for children younger than the U5 age group. We want your Toddler to become familiar with the team soccer experience, during normal play, before adding additional individualized training. We look forward to your Toddler continuing to play soccer at the U5 level, which they will move into Fall of 2012. At U5, you may choose to enroll your child in Superior Soccer Skillz to develop their individual soccer skills.

3rd Child Discount

If you have 3 or more children (siblings) playing, regular soccer, you may qualify for a \$10.00, 3rd child discount. Please let us know when you register how many children you have playing. Children in Toddler Soccer do not count towards the 3rd child discount because their registration fee is already discounted. You must register in person to qualify for the discount.

If you have any questions, please contact your age group Commissioner, through e-mail ("Contact Us" page on the SASA website), and your questions will be addressed.
